## MEMORANDUM

This Monthly Progress has been prepared in accordance with Section XII of the Consent Decree entered September 10, 1991, Number 83-419C, U.S.D.C. District of Indiana.

### Activities

de maximis, inc. conducted the September monthly site inspection at the Enviro-Chem Superfund site on September 8, 1996. The following conditions were noted during the monthly site inspection:

- ▶ The fences, gates, and locks are secure;
- ▶ Rainwater was observed standing on the decon pad and the water storage pad; and
- ▶ All drainage ditches are clear of debris and the rainwater has been flowing as designed.
- ▶ A section of the fence along the western site boundary had been damaged by some debris that was stored too close to the fence by the adjacent property owner. The owner was contacted and agreed to repair the fence.

The Draft Final (100%) Design for the site was submitted to U.S. EPA and IDEM on September 26, 1996. The submittal included the Final Design Report, Technical Specifications, General Health and Safety Plan, Construction Quality Assurance Plan, Quality Assurance Project Plan, Air Monitoring Plan, and Drawings.

### Activities to be Conducted from October 15, 1996 through November 14, 1996

- ▶ de maximis, inc. will conduct the October monthly site inspection.
